NOLWENN LOUIS

Third-Year MMI Student | Seeking a 2D Animation Internship

Biache-Saint-Vaast, France • 0770134353 • nolwenn.louis.nl@gmail.com • LinkedIn / Portfolio

PROFILE

Third-year student in the French BUT MMI (University Bachelor of Technology (BUT) in Multimedia and Internet Professions), seeking an internship in 2D animation. After my first year studying Computer Science in a BUT programme, I shifted my focus to digital creation, which better aligns with my career goals. Curious, creative and self-reliant, I'm keen to develop my animation and illustration skills as part of a professional team.

EXPERIENCE

International Internship — Fukushima KOSEN | Iwaki, Japan

April–July 2026 • 3 months

- Explored how Japanese characters are perceived and how they can convey different emotions.
- Spent three months at Fukushima KOSEN in Iwaki, working in an international academic environment.
- Collaborated and communicated in a multicultural setting, primarily in English and Japanese.
- Strengthened my independence, adaptability and ability to work in an unfamiliar environment.
